

THE EUROPEAN HOLIDAY HOME AWARD 2019

FINALIST

BEST GREEN HOLIDAY HOME

Herdade do Burrazeiro, Portugal
AVAILABLE THROUGH Cume da Serra

The Holiday Home Awards were instigated in 2015 by the European Holiday Home Association (EHHA) as a means to showcase the diversity and quality of holiday homes available for short term rental. The Awards are given to individual holiday homes that provide a unique and high-quality holiday experience.

The 2019 European Holiday Home of the Year is awarded in 8 categories:

- Best Accessible Holiday Home
- Best Family Friendly Holiday Home
- Best Green Holiday Home
- Best Health and Wellness Holiday Home
- Best Holiday Home in European Capital
- Best Pet Holiday Home
- Best Unique Spot Holiday Home
- Best Holiday Home Beach House

An expert jury selects a group of finalists amongst the nominated houses in each category, and the winners are selected from the finalists by a vote among a representative from each national trade association member of the EHHA.

The EHHA congratulates all the finalists, who represent the very best of the holiday home industry!
